

To our Guests: Welcome! Our desire is to live for Jesus and become fully committed disciples. You are encouraged to join us in that quest! Please do not feel obligated to make a financial contribution; instead we have a gift for you at our welcome table. We would also appreciate it if you would sign our guest book so we can make contact with you and bless you!

# WORSHIP TIME

*Worship is intended to focus on Jesus!* We aim to capture the heart and mind with the wonder of worship and the preaching of the Word. Our services are a wonderful family time. It is a perfect opportunity to train children to worship quietly. We strongly encourage families to sit together.

Out of honor for God and respect for others we ask that you avoid being a distraction to others. Please turn off your cell phone and please *do not* converse during the service. Please *do* use the restroom before the service. If your children are having a bad day, we encourage you to take them into our family room. We ask that you *avoid all disturbances* that draw attention away from worship: *Our goal is to bring glory to God.*

Please feel free to utilize our nursery or our "FAMILY ROOM" during worship time. The Family Room has a live video feed of our worship service and is available for families with children as well as to anyone who needs it.
