

Susan's mom has passed away. Please pray for Dennis and Susan, and their family, as they grieve.

Mike Hampton: Please remember Mike and his family in your prayers as his cancer has returned and seems to be spreading aggressively this time. Praise God that his insurance quickly agreed to cover a new auto-immune therapy treatment program. Pray for this new treatment to be a success.

Ernie Hayes' brother passed away on the 8th. Pray for peace and comfort for Ernie, Roberta, and their family.

Craig's friend was recently diagnosed with melanoma and given surgery. Please pray for healing and a quick recovery.

Jessie Holmes woke up recently blind in her right eye. She had glaucoma surgery on the 9th to hopefully cause her to regain her sight in that eye.
